

## Operations Associate Working Student (m/f) InstaFreight

### About us

We digitize the logistics industry, a €200+bn market in Europe! As the most advanced online freight forwarding company in Germany, we offer business customers a fully digital booking experience for logistics services – with one click only and as simple as online shopping. With our mobile app we set a new standard in the logistics industry.

### InstaFreight

- Entrepreneurial, highly motivated and fun team with compatible professional backgrounds
- Solutions to real problems in a complex industry
- High degree of flexibility and freedom in a great learning environment
- Experienced founding team with a proven track record funded by top-notch VCs
- Once in a lifetime opportunity to build an innovative company and disrupt a multi-billion Euro industry.

## About your role

- Take responsibility of dispatching daily orders
- You manage relationships with our clients and various stakeholders, who are involved in the shipping process
- Build up strong relations to our customers Europe-wide
- Support our team by developing a database and maintaining the content
- Be part of an amazing team and challenge the status quo of the logistics industry

## Requirements

- You are an enrolled student in Economics/ Business and able to spend 15-20 hours/week at InstaFreight
- You have gained relevant work experience in previous internships, ideally in the Startup environment. A logistics or operations background is a big plus
- You feel comfortable with connecting to new people and it is fun for you to convince people of your ideas
- You are hands-on with an entrepreneurial “can do” attitude and are willing to go the extra mile
- You are a strong communicator
- You are proficient in using MS Office programs
- You are fluent in German and English
- A third language is highly appreciated

## Disrupt the logistics industry with us! Interested?

We are looking forward to receiving your convincing application either in German or in English. Please send us your application documents (covering letter, CV, certificates) indicating your salary expectations and your earliest possible starting date to [jobs@instafreight.de](mailto:jobs@instafreight.de)
