

Operations Intern (m/f) InstaFreight

About us

We digitize the logistics industry, a €200+bn market in Europe! As the most advanced online freight forwarding company in Germany, we offer business customers a fully digital booking experience for logistics services – with one click only and as simple as online shopping. With our mobile app we set a new standard in the logistics industry.

InstaFreight

- Entrepreneurial, highly motivated and fun team with compatible professional backgrounds
- Solutions to real problems in a complex industry
- High degree of flexibility and freedom in a great learning environment
- Experienced founding team with a proven track record funded by top-notch VCs
- Once in a lifetime opportunity to build an innovative company and disrupt a multi-billion Euro industry.

About your role

- Take on responsibility for your own projects in close cooperation with our sales, product and operations teams
- Solve problems using quantitative and qualitative means and give recommendations on how to relentlessly improve the business
- Support our experienced dispatching team in managing our daily loads and gain hands on knowledge in freight forwarding
- Directly manage our relationships with clients and various stakeholders involved in the shipping process
- Be part of an amazing team and challenge the status quo of the logistics industry

Requirements

- You are in business, economics or engineering with outstanding academic credentials
- You have gained relevant work experience in previous internships, ideally in the startup, consulting or banking industry. A background in logistics or operations is a plus.
- You have a high degree of comfort with analytics, numbers and the capability to make decisions based on both intuition and data
- You are capable of cracking complex problems in a fast-paced professional environment
- You are hands-on with an entrepreneurial “can do” attitude and are willing to go the extra mile

Disrupt the logistics industry with us! Interested?

We are looking forward to receiving your convincing application either in German or in English. Please send us your application documents (covering letter, CV, certificates) indicating your salary expectations and your earliest possible starting date to jobs@instafreight.de
